**REQUEST FOR AN EXPEDITED CERTIFICATE OF CORRECTION FOR AN OFFICE
MISTAKE UNDER 35 U.S.C. 254 AND MPEP 1480.01**

There are errors of consequence in the above-referenced patent. The Notice section on the face of the patent incorrectly indicates that the patent is subject to a terminal disclaimer. The patent is not subject to a terminal disclaimer as a disclaimer was never filed by the Applicant or his representatives. This error is attributable to the USPTO as the PAIR image file wrapper does not indicate the existence of a terminal disclaimer. The correction of this error by deletion of the sentence stating that the patent is subject to a terminal disclaimer does not involve such changes in the patent as would constitute new matter or would require reexamination.

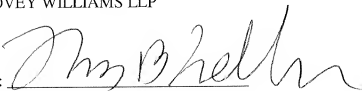

Additionally, Applicant seeks expedited handling of this request under MPEP 1480.01, as this request is accompanied by form PTO/SB/44 specifically identifying the error and the error is clearly attributed to the USPTO.

Applicant requests, under 35 U.S.C. 254, that all fees associated with this request and certificate of correction be waived due to the mistake made by the Office. However, any fee which is not waived and is due in connection with this request may be applied against our Deposit Account No. 19-0522.

Please send any correspondence or certificate of correction to the undersigned. Any questions regarding this request should also be directed to the undersigned.

Respectfully submitted,

HOVEY WILLIAMS LLP
